Remarks

One or more photo(s) has been virtually staged. Set on the bay side of Siesta Key, this beautifully renovated two bedroom two bath residence at 5911 Midnight Pass Road Unit 206 offers a lifestyle that feels both rare and natural. Located within a waterfront community on Sarasota Bay, the residence includes a private deeded 38 foot boat dock, private access to Siesta Key Beach, and was updated in 2019, creating an exceptional balance of boating, beach access, and bayfront living. Located in the understated bayfront enclave of Boca Siesta, this residence enjoys peaceful bay views and a quieter sense of retreat, while Siesta Key Beach sits just across the street, known for its expansive shoreline and world famous quartz crystal sand. Updated in 2019, the residence features a more open and inviting floor plan with solid wood cabinetry offering generous storage, granite countertops throughout, plantation shutters, crown molding, impact windows, new ceiling fans, and fresh interior paint. The open kitchen and great room combine living and dining areas, all oriented toward the bay. These spaces flow seamlessly into a screened private patio with impact windows overlooking Sarasota Bay, creating a comfortable extension of the living space. The primary suite offers calming bay views
